Citi: 50/50 LOOP

Creating an architecturally-inspired work space is now easier. The new Citi range offers style, uncompromising strength and practicality.

A solid steel frame construction with support beams prevents bowing and ensures maximum stability.

The Citi range is now also available with a loop leg, adding another option to the standard square (50/50) leg offering.

CABLE MANAGEMENT AVAILABLE

Soft wiring, modular wiring or 'plug & play wiring' enables the easy use and re-use of electrical wiring components when installing or re-configuring commercial office workstations without the waste associated with hard wiring.
